Gatorland Band Camps Safety and Security Policies

GBC considers the safety and security of participants and staff a TOP priority at all times. This document is a resource itemizing the policies and procedures which apply to the operation of all activities.

Health Form & Medical Needs

GBC requires a health form to be submitted for each clinic participant. This information is kept on file and is available for use by administrative staff if a health situation arises. It contains insurance information, emergency contacts, special health needs, and pertinent medical issues, which would be helpful to a doctor should it become necessary to seek medical assistance. If an emergency contact is not available and a situation is critical, GBC takes the individual to the hospital. The health form, signed by the parent/guardian (those under 21) gives GBC the authority to make emergency decisions when the contacts cannot be reached. Shands Hospital has a 24 hour emergency room, and is located on the University of Florida campus. ALL MEDICAL COSTS ARE THE RESPONSIBILITY OF THE INSURANCE COMPANY, OR THE RELATED PARENT/GUARDIAN. THIS INCLUDES AMBULANCE COST, SHOULD THE SITUATION BE CRITICAL. The health form, including Insurance carrier AND policy number, should be BROUGHT TO CAMP. DO NOT mail the health form.

First Aid & Staff Training

Several interns are required to maintain current American Red Cross Certification for First Aid to handle minor first aid situations. They are trained to call the emergency contact to assist with making emergency decisions. The administrative staff is available 24 hours a day and carries radios and cell phones. Additionally, there is a first aid room in the dorm office which will be accessible to students and staff. Refrigeration of medications is also available.

Meals & Dietary Needs

The food selection is diverse, nutritious with various choices for the main course. Every meal includes fruits, vegetables, salads, and various beverages. Students are encouraged not to skip meals.

Supervision

Evening Activities

Evening activities vary depending on the specific camp. Usually, evening activities include a camp-dance with DJ, swimming at a University pool, video-game/bowling night, movie/ice-cream night, and a talent/skit night in the University Auditorium (attendance required, participation optional). **Those wishing to participate in the skit/talent night should bring instruments, props, costumes, etc. as needed for their performance.** A piano will be available.

Class & Free Time

During breaks, meals, and evening activities, students must remain in the immediate campus facilities and are supervised by our staff. During classes, students are supervised by their instructors and the head clinician. Attendance is taken at all classes and all classes are required unless excused by a staff member for health reasons. Water and restrooms are located close to all class areas.

**PLEASE FAX/EMAIL COMPLETED FORMS TO 352-392-3716 or
ufbands@gmail.com BY JUNE 17, 2022**

Counselors

There are 2-3 counselors assigned to each floor of the dorm. They are on duty 24 hours a day on their floor in the evening and all night. They supervise students during all free time including breaks, meal times, and evening activities. They perform room checks in the evening and make sure all participants are awake and have departed for breakfast and classes in the morning. The counselors are a very select group carefully chosen by GBC administrators. They are all college age, or older and have completed training and background clearances through the Department of Children and Families and the Florida Department of Law Enforcement.

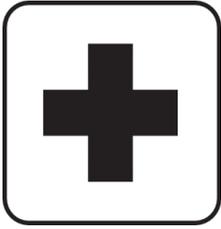

Guests

Students are not allowed to leave the campus without approved verification of a *Permission to Leave Camp* form by a Camp Administrator. The participant and guest must sign in and out of camp with a Camp Administrator. This includes early departure from the camp.

Chaperones & Sponsors

With the GBC counselor procedures, it is not necessary for groups to provide additional sponsors or chaperones during the camp. However, sponsors and chaperones are welcome to attend and /or observe classes.

Participant Permission to Drive to Camp & Park

2022 Gatorland Band Camps

Any **resident camper** who must drive to camp and park must notify the camp office **by June 6th** (Instrumental and Total Musicianship Band Camps), pre-pay parking for the camp period as well as complete this *Permission to Drive to Camp* form. Upon arrival, residential campers' car keys must be turned in to the camp office. They will be returned following the final performance.

Any **commuter camper** who must drive to and from campus each day must notify the camp office by June 6th (Instrumental and Total Musicianship Band Camps), pre-pay parking for the camp period as well as complete this *Permission to Drive to Camp* form. All campers driving to and from camp will be required to check in with their counselor at arrival and prior to departure each day.

Due to University parking restrictions, all vehicles must have a parking permit. Gatorland Band Camps will offer \$20 parking permits for Instrumental Camps, and \$50 permits for Total Musicianship Band Camp. Parking permits are to be paid at the time of registration

The following rules apply to any campers who drive to camp:

1. You must provide this signed permission form from a parent or guardian in order to bring your car onto campus, and purchase a parking permit during registration. **This form must be received in the camp office no later than June 6, 2022.**
2. Commuter campers are never allowed to provide rides to resident campers.
3. All campers must remain on campus for lunch.
